

TrustConnect™ Escrow and Paying Agent Portal

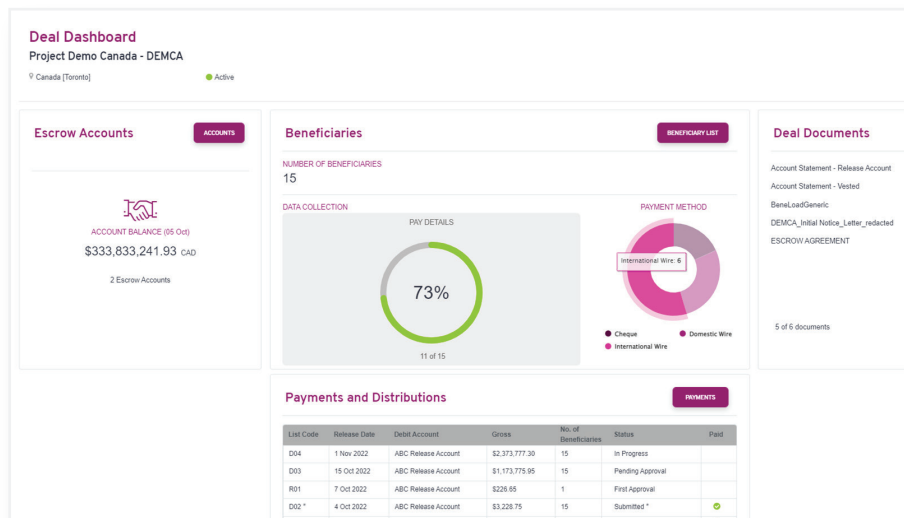

M&A Escrow and Paying Agent Services to Help You Close Your Deals with Confidence

- Trust our experienced team, strong business model, and comprehensive suite of services to deliver effective administration of your deal transactions
- Count on us as established, independent, and reliable experts for escrow arrangements, whether simple or complex
- Rely on our efficient escrow and paying agent processes to save you time while ensuring accurate, and on-time deal completion

Cloud-Based Solution to Support Your Transactions with Care and Precision

- View escrow and paying agent deals on a single platform at the deal and beneficiary levels
- Automate tasks to gather beneficiary information, make payments to recipients (sellers, stakeholders, and beneficial shareholders), and track all aspects of the deal
- Generate reports that include account statements and payment activities by mandate

Deal Dashboard Summarizes Key Deal Metrics

- Get a comprehensive view of escrow balances, beneficiary information, account statements, and more
- Monitor progress of beneficiary payments
- Quick glance of upcoming and historical payments and distributions
- Access deal documents

TrustConnect™ Escrow and Paying Agent Portal

Online Registration Site for Recipients to Provide Their Payment Details

- Collect beneficiary information such as payment details with a secure and paperless method
- Use communication tools like email templates to invite beneficiaries to the Registration Site to confirm their information
- Count on Computershare security protocols to collect sensitive banking information from beneficiaries
- View real time updates to beneficiary information in the Deal Dashboard

Payment Election

1 Payment Method Review & Submit

Please review and confirm the details below.

Payment Method
