We're leveraging advanced technology to optimize how you work every day.

MEET OUR PLATFORM

Instant Downloads

We're giving time back to trustees. The KCC platform is the only software on the market that lets trustees download case data, tools, and resources instantly. That means no more loading bars, spinning wheels, or wasted time.

Easier Audits

Our team is here to lessen the burden of performance evaluations, including Form 1, UST audits, and TIRs. Our team goes hands-on with trustees to clean up data and ensure compliance every step of the way.

Trusted Banking Partners

It's no secret that who you choose to bank with matters. That's why we've partnered with the most trusted banks in the industry, ensuring that even your most complex cases are in good hands.

Secure Cloud-Based Platform

With KCC, trustees can access case data from anywhere, at any time, from any device – no drivers, downloads, or plug-ins required. This is all backed by a security system that's made especially for our platform, so you can be sure your data is always protected.

Best-In-Class Customer Service

Our approach to customer service is personal, efficient, and above all else, effective. With KCC, you're not being transferred to a massive help-line; you're working directly with specialists who have the answers you need.
