

ASSET REPORTING CENTRE

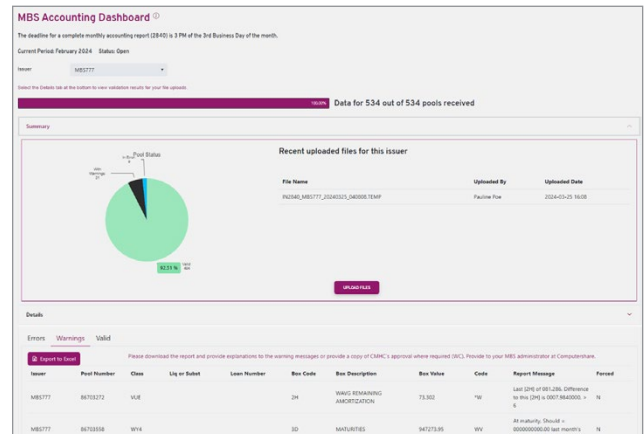

Computershare Asset Reporting Centre provides timely information for securitization, monthly accounting and warehousing that can assist in facilitating informed decisions.

- > Online tracking of electronic file and document submission, receipt, processing, and edit reporting.
- > Greater transparency throughout the pooling setup and processing, from start to finish.
- > Enhanced drill-down capability for each step of the pooling process.
- > Comfort and confidence that your pool is being handled by our expert team aligned with your expectations and the Program.
- > Expert team of MBS professionals ready to guide and assist on MBS service related matters.

TRACK YOUR POOL SECURITIZATION FROM END-TO-END

GREATER VISIBILITY AND TRACKING OF MONTHLY ACCOUNTING REQUIREMENTS

Computershare is a trusted leader and service provider in managing your securitization, mortgage loan information and documentation needs.

- > Appointed Central Payor and Transfer Agent (CPTA) since program inception.
- > Provider of expert guidance on the administration of securitization and monthly accounting for Mortgage-Backed Securities (MBS).
- > Registry manager for owners of MBS, facilitating the program's timely payment guarantee.
- > Document Custodian and Title Holder of choice for major lenders across Canada.
