

## CONFIDENCE WITH COMPUTERSHARE

### Every Escrow Transaction is Different.

From straightforward M&A events to complex cross-border deals. One thing they have in common - time is of the essence and they need to be executed quickly and easily.

### Experience you can rely on.

The most demanding organizations trust Computershare to get their deals done right. For over two decades, we have completed thousands of escrow mandates, servicing major corporations in the private and public sectors, governments, institutions and industry leaders.

\*Data for the 12-months ending 06/30/2022. \*DUA includes all issues within the paying agency system of record. \*All totals are in USD. CAD to USD exchange rate .78 on 06/30/2022.

### Your deal, your timeline.

It's a snap. Use our agreement or yours. Our escrow professionals make a point of keeping the process simple, including streamlined Know Your Client (KYC) onboarding so you can close your M&A deals accurately and on time.

"I was impressed with **Computershare's responsiveness and the simplicity of their KYC process.** Computershare truly exceeded my expectations."

- Partner, Kirkland & Ellis LLP

"From start to finish, **Computershare handled the escrow and paying agent aspects of our deal with the utmost efficiency.** Without hesitation, we'll work with Computershare again on future deals."

- Lisa Roger, VP Accounting and Tax, Fox Factory

### Cross-border transactions simplified.

Escrows involving cross-border or emerging markets transactions can be complicated - but they don't have to be. With our expanding global footprint and capabilities, offering features such as foreign currency payments and a global network of banking partners, you can be confident that your deals, whether international or domestic, will be executed with precision.
